He denied the findings, analysis and assessment made by the Enquiry Officer in making the one charge into two parts. He further stated that when the Amendment is approved, Pattadar Pass Book and Title Deeds were already issued by the Tahsildar, writing of entries on Pahani is only consequential entries on record, available as on that date but did not made it deliberately for manipulation or wrong entries and Village Revenue Officer is not competent to alter the names approved in ROR and he already undergone mental agony and financial hardship by not receiving his retirement benefits on superannuation on 31.07.2012, requested to drop the imposition of proposed punishment of 10% cut in pension for (5) years.
